

## Congratulations to the Class of 2018!!!

Your high school years are some of the best years of your life and we would like to help you remember them with senior portraits. We at Ezell's Studios feel you are very unique and the 2018 Senior Experience is one of our specialties.

We enjoy working with young people, their ideas, imaginations, and energy. When you come for your Senior Experience, keep in mind this is not a normal portrait session. We have a flair for spontaneous movement so the session is also similar to a modeling session with a lot of FUN added for your enjoyment.

We encourage you to bring things that will make your portraits your own. Letter jackets, class rings and favorite outfits, will help you mold your senior portraits into your Senior Experience. You will be assigned a changing room for your convenience so you will be able to change outfits. (Tux/Drape does not count as an outfit.) Don't forget to bring your musical instruments, band or cheerleading uniforms, fishing or hunting gear, something from drama, etc. We have several backdrops you will like, including a 1951 F1 pickup truck.

All 2018 Seniors who wish to be in the yearbook must have their pictures done at Ezell's Studios. We will have over 800 seniors coming to our studio this summer and we want to give you the flexibility of scheduling an appointment that most closely meets your scheduling needs. We will be starting Senior photo sessions on **May 30th, 2017**. We will be booking appointments Tuesday through Friday between 10:00 am and 6:00 pm and Saturdays between 10:00 am and 2:00 pm. All senior pictures must be completed by **August 5th, 2017**. We are offering a special incentive of **25% off** your package order if you purchase the day of your session.

All portraits will be viewed as soon as the photo session is complete. Bring your parents so you can take advantage of the **25% discount** given to those who order a package immediately following the session.

You can always call us at 770-918-1198 to schedule appointments and we will answer any questions. It is recommended that you call and schedule your senior shoot before **July 15th**, appointments do book up quickly.

Please visit our website to see examples of Senior portraits, view the price list, and schedule your appointment. Our website has an extensive FAQ section and will answer most of your questions. Go to [www.ezellsstudios.com](http://www.ezellsstudios.com). You are welcome to drop by our **NEW** studio at 920 Center Street NE in Olde Town Conyers to see our portrait gallery and studio before you come in for your session.

We look forward to working with you and your imagination this summer!
