

HERITAGE HIGH SCHOOL

Freshmen Dues and Activities

The text "Class of 2023" is rendered in a bold, black, 3D-style font. It is centered over a light blue background that features a faint, stylized school crest or logo. The crest includes a shield with a red and white design and a blue star.

Handbook and Guidelines

FRESHMEN DUES AND ACTIVITIES **HANDBOOK AND INSTRUCTIONS**

Dear Freshmen and Parents/Guardians:

Congratulations! You are now officially a high school student or parent of a high schooler. The administration, freshmen class advisors and sponsors have compiled this booklet to provide both freshmen and parents with pertinent information that will be helpful during your freshmen year. Please carefully read the entire booklet which contains freshmen dues amount, instructions, and dates for events. If you have any further questions about freshmen dues and/or activities contact your class sponsors: Mrs. Hooley or Ms. Moss. mhooley@rockdale.k12.ga.us or gmoss@rockdale.k12.ga.us. You may also contact the class advisor: Mrs. Morton; zmorton@rockdale.k12.ga.us.

ACADEMIC and BEHAVIOR RESPONSIBILITIES

As freshmen become more excited about transitioning from middle school to becoming a high school student, teachers, counselors, and the administrative staff would like to emphasize the importance of continuous academic progress. Please stress to your student that they must continue to work at their full potential in order to satisfactorily complete all graduation requirements. Current Academic standing may affect their ability to participate in some or all of the scheduled activities. Students must abide by all school and county rules outlined in the Student Code of Conduct. Behavior will play apart in their ability to participate in freshmen activities.

A Word From Our Principal

Class of 2023,

I am thrilled to have you join the Heritage family! High School is an enjoyable and exciting time, but the transition can be a bit scary for some. We have put many safeguards in place for you to be successful. Heritage is a school of academic excellence and our goal is to not only remain the best high school in Rockdale County, but to be in the top 10% of all Georgia schools. We can do this with your commitment to coming to school and putting in a 110% effort every day. I look forward to meeting each of you and seeing the outstanding things you will contribute to Heritage where we "Set the Stage for Excellence" everyday!

Go Patriots,

Mrs. Richards
