JUNIOR DUES AND ACTIVITIES **HANDBOOK AND INSTRUCTIONS**

Dear Junior and Parents/Guardians:

Congratulations! You are one step closer to graduation. The administration, junior class advisor, and sponsors have compiled this booklet to provide both juniors and parents with pertinent information that will be helpful during your junior year. Please carefully read the entire booklet which contains junior dues amount, instructions, and dates for events. If you have any further questions about junior dues and/or activities contact your class sponsors: Ms. Martin, Dr. Randall, or Ms. K. Davis. cmartin1@rockdale.k12.ga.us, nrandall@rockdale.k12.ga.us, kdavis@rockdale.k12.ga.us. You may also contact the class advisor: Mrs. Morton; zmorton@rockdale.k12.ga.us.

ACADEMIC and BEHAVIOR RESPONSIBILITIES

As juniors become more excited, teachers, counselors, and administrative staff would like to emphasize the importance of continuous academic progress. Please stress to your student that they must continue to work at their full potential in order to satisfactorily complete all graduation requirements. Current Academic standing may affect their ability to participate in some of the scheduled activities. Students must abide by all school and county rules outlined in the Student Code of Conduct. Behavior will play apart in their ability to participate in junior activities.

Principal's Message

Welcome to Heritage! We are excited and looking forward to an exciting and productive school year. This handbook is specific to Heritage High School and supplements the Rockdale County Board of Education Handbook. This is just another tool we have prepared with hopes of providing HHS students, parents, and staff with information that is needed for a successful educational experience. As administrators, our primary responsibility is to provide a safe and orderly school environment that is conducive to student achievement. Our expectations are high for all those associated with HHS; therefore, this handbook supplement addresses some of the expectations we deem important.

High school is a time where teenagers begin to transition into young adults. It's a time when teens learn to develop decision making skills and accept ownership and responsibility for their decisions. Our hope is this information will help our students make informed decisions that will enhance their high school experience. Our expectation is that every student, parent, and staff member read, retain, and refer to this handbook during the school year. I, along with the administrative staff wishes every student a successful and amazing school year.

Setting the Stage for Excellence,
L. Richards
Principal
